

Bullets Sports Boosters

Dear Sports Boosters Supporter:

The Bullets Sports Boosters exists for the purpose of promoting sports in the Williamsville - Sherman school district. All of the funds collected by the Sports Boosters Club are returned directly to the sports programs. Both Junior High and High School athletes benefit from the funds we receive. The generosity and commitment of our community members and businesses to the sports programs of our district is immensely appreciated.

It is now time to solicit for the 2008 – 2009 Sports Programs. The Sports Program fundraiser is the largest fundraiser we have each year and its success depends upon you. We are once again offering advertisement packages that will allow you to advertise in the Williamsville High School Fall and Winter Sports Program as well as the Williamsville High School Holiday Basketball Tournament Program.

Below are fees for advertisement in our 2008 – 2009 programs.
